The Gift of Giving

As Happy Village International kicks off its fundraising mission this holiday, we want to wish you and your loved ones a festive season. As children with disabilities are often stigmatized in debilitating ways, our goal is to build Ruth's Sunshine School and enable all children to get an education.

While you plan your giving this holiday season please consider a monetary donation to help realize our project, or a donation of your time. If you would like info on how to start a HAVI chapter at your school or in your community, please contact us.

We're equally delighted to announce our fourth installment of Volta Rocks! Online submission dates for "Volta Rocks 4: Youth Talent Competition" will appear on our website in the coming months. Top finalists will compete for the chance to win incredible prizes.

In our next issue...

Sustainability at Ruth's Sunshine School
