Volta Rocks IV: Talent Competition

Do you have a smooth croon or quick feet on the dance floor? Or do you just want to support a worthy cause? Then compete in our upcoming talent competition for your chance to win awesome prizes!

We are looking for young people aged 12 to 30 to show off their talent as part of HAVI's yearly installment of "Volta Rocks," to be judged by a roster of Canadian celebrities. We're hitting up high schools, universities, bars and dance studios in Montreal to find you! If you think you have what it takes, get ready to record your 30 to 45-second video clip (singing or dancing only) so you can submit it via YouTube. Contest entry and venue details will be featured in our March newsletter.

Happy Village International is working towards raising \$75,000 this year to build the first phase of Ruth's Sunshine School (RSS) in the Volta region of Ghana, the organic farm. At RSS, children with disabilities will have the opportunity to live and learn with their community. Help us make this project a success!
